It is respectfully requested that the information be expressly considered during the

prosecution of this application, and that each reference be made of record therein and appear

among the "References Cited" on any patent to issue therefrom.

This submission does not represent that any referenced document is material or

constitutes "prior art." If it should be determined that one or more of the referenced documents

constitute "prior art" under United States law, Applicants reserve the right to present to the

Office the relevant facts and law regarding the appropriate status of the reference or references.

Applicant further reserves the right to take appropriate action to establish the patentability

of the disclosed invention over any referenced document, should it be applied against the claims

of the present application.
